

COVID-19 Protocol

Kaizen Progressive Health will re-open and commence normal business hours starting Monday, May 11, 2020. New operating policies must be strictly followed in accordance with federal government recommendations and are as follows:

- Every staff member is instructed to stay home if any new symptoms present or if feeling ill.
- Staff members will be examined by medical personnel and temperature will be taken prior to beginning work shift.
- Staff will complete health screen questionnaire prior to beginning work shift.
- Staff is always required to wear a mask in the common area or in treatment rooms when a patient is present.
- Staff will demonstrate good hygiene by washing hands or using hand sanitizer after any contact with patients, surfaces, or other staff members.
- All surfaces will be sanitized immediately after use.
- No more than six patients may be present in the building at a time
- Only patients who are scheduled for treatment will be permitted in the building. Individuals not scheduled for treatment will need to wait outside of the building.
- Patients will complete a health screen questionnaire prior to entering the facility.
- A staff member will take patients temperature to ensure no fever is present at the time of visit prior to patient entering facility.
- Our staff medical team member will perform a brief examination and to confirm patient is well before the patient enters the facility for treatment.
- The front door to the facility will remain locked during business hours. Individuals will not be permitted to enter the facility unless the health screen has been completed.
- All patients will be required to wear facial covering. If a patient does not have a covering, one will provided to be worn while in the facility.
- 6 feet of social distance will be maintained between patients on the treatment floor.
- Patients will be scheduled strategically to insure proper distancing.
