ASSIGNMENT OF HEALTH PLAN BENEFITS AND RIGHTS AS WELL AS AN APPOINTMENT AND/OR DESIGNATION AS MY PERSONAL REPRESENTATIVE AND AN ERISA/PPACA REPRESENTATIVE AND BENEFICIARY

I understand and agree that (regardless of whatever health insurance or medical benefits I have), I am ultimately responsible to pay **Kaizen Progressive Health (Kaizen Medical Group), Dr. Stephen Hruby, Dr. Robin MacDougall, Joel Olmstead**, as well as all employees, employers, representatives, and agents thereof, (hereinafter collectively referred to as "Healthcare Provider") the balance due on my account for any professional services rendered and for any supplies, tests, or medications provided. I hereby authorize payment of, and assign my rights to, any health insurance or medical plan benefits directly to Healthcare Provider for any and all medical/healthcare services, supplies, tests, treatments, and/or medications that **have been or will be** rendered or provided; as well as designating and appointing Healthcare Provider as my beneficiary under all health insurance or medical plans which I may have benefits under. I hereby authorize the release of any health status, conditions, symptoms or treatment information contained in your records that is needed to file and process insurance or medical plan claims, to pursue appeals on any denied or partially paid claims, for legal pursuit as to any unpaid or partially paid claims, or to pursue any other remedies necessary in connection with same. I hereby assign directly to Healthcare Provider all rights to payment, benefits, and all other legal rights under, or pursuant to, any health plan (including, but not limited to, any ERISA governed plan/insurance contract, PPACA governed plan/insurance contract) rights that I (or my child, spouse, or dependent) may have under my/our applicable health plan(s) or health insurance policy(ies). I also hereby appoint and designate that Healthcare Provider can act on my/our behalf, as my/our Personal Representative, ERISA Representative, and PPACA Representative as to any claim determination, to request any relevant claim or plan information from the applicable health plan or insurer, to file and pursue appeals and/or legal action (including in my name and on my behalf) to obtain and/or protect benefits and/or payments that are due (or have been previously paid) to either Healthcare Provider, myself, and/or my family members as a result of services rendered by Healthcare Provider, and to pursue any and all remedies to which I/we may be entitled, including the use of legal action against the health plan, the insurer, or any administrator. I hereby also declare that Healthcare Provider is my/our beneficiary regarding my/our health plan as contemplated by both ERISA and PPACA, and that Healthcare Provider can pursue any and all rights that I/we may have under state and/or federal law regarding my/our health plan. This assignment, appointment, and designation will remain in effect unless revoked by me in writing. *It is my intent that the effective date of this document shall relate back to include all services, supplies, test, treatments, or medications that have been previously provided by Healthcare Provider.* A photocopy or scan of this document is to be considered as valid and as enforceable as the original.

OFFICE USE BELOW

CONSENT TO TREAT

I hereby request and consent to the performance of chiropractic manipulation and manual therapy techniques and other chiropractic procedures, including various modes of physical therapeutic modalities and procedures and diagnostic X-rays, where warranted, on me (or on the patient named below, for whom I am legally responsible) by the doctor of chiropractic named below and/or other licensed doctors of chiropractic who now or in the future work at the clinic or office listed below.

I have had an opportunity to discuss with the doctor of chiropractic, Dr. Stephen Hruby, the nature and purpose of chiropractic adjustments and other procedures. I understand that results are not guaranteed.

I understand and am informed that, as in the practice of medicine, in the practice of chiropractic there are some risks to treatment and diagnostic services including but not limited to:

Manipulation: increased pain or discomfort, fractures, disc injuries, strokes, dislocations and sprains.

Therapeutic Modalities and procedures: additional pain and discomfort. Endurance exercise may cause increased risk of acute Myocardial Infarction (heart attack) in patients with known or possible cardiac conditions.

Radiographs: ionizing radiation can be harmful to a fetus for those who are pregnant or might be pregnant.

I do not expect the doctor to be able to anticipate and explain all risks and complications, and I wish to rely upon the doctor to exercise judgment during the course of the procedure which the doctor feels at the time, based upon the facts then known to him or her, is in my best interest. Dr. Hruby has additionally explained the risks associated with my refusal of treatment.

I have read, or have had read to me, the above consent. I have also had an opportunity to ask questions about its content, and by signing below I agree to the above-named procedures. I intend this consent form to cover the entire course of treatment for my present condition and for any future condition(s) for which I seek treatment.
